

Issue	Ad Closing Date	Ad Materials Deadline	Feature Articles	Product Gallery	Bonus Distribution
January/February	11/18/08	11/25/08		Energy efficiency & reliability products	
March	01/09/09	1/16/09		Demand reduction, pipe/ pipeline rehabilitation	WaterEC
April	03/04/09	3/11/09	Annual Products and Services Directory Article index for January 2008–March 2009 Data integration Leak detection Demand management Automatic metering & related systems		Every show we attend for the next 12 months
May/June	04/21/09	4/28/09		Measurement/ instrumentation, SCADA Water quality	AWWA
July/August	06/10/09	6/17/09		Storage, pumps, valves	StormCon
September/October	07/27/09	8/3/09		Automatic metering & related systems Leak detection	WEFTEC Autovation NRWA APWA
November/December	10/13/09	10/20/09		Irrigation, desalination	Irrigation show

Feature Coverage

<ul style="list-style-type: none"> Audits Automated meter reading Automated sprinkler systems Conservation Consulting services Conveyance Demand control & forecasting Desalination Desalting Drought planning Energy management Financing Groundwater Groundwater recharge 	<ul style="list-style-type: none"> Heavy metals Infrastructure Infrastructure repair Integrated resources planning Irrigation systems Leak detection Low-flow rollouts Low-impact development Metering Pipes Pumps Rainwater harvesting Reclaimed wastewater Regulatory issues Retrofitting 	<ul style="list-style-type: none"> Reuse SCADA Security Software Source protection Storage Sub-metering Utility planning Utility privatization Valves Water-efficient products & practices Water pricing Water systems integration Water-quality monitoring Weather forecasting
